

Apply to Join the “Digital Zone” Scotland Pavilion in partnership with The Data Lab, OGV and Scottish Development International at Offshore Technology Conference 2020

This year The Data Lab, OGV and Scottish Enterprise/Scottish Development International are looking for Scottish Companies who would like to demonstrate their Digital Tech products and services at one of the world's largest, most important and influential oil and gas events that brings together industry stakeholders and experts to share knowledge and exchange ideas on a brighter future for the energy sector.

We are looking for novel and innovative Digital Tech companies from Scotland to exhibit in our Digital Zone and showcase what they do for the Oil and Gas Sector. This is a fantastic opportunity to market your product to 60,000 attendees from over 100+ countries.
